Work History

Crew Member - June, 2017 to August, 2017
Los Angeles, CA

- Restocked workstations with supplies and food display cases with fresh selections to reduce customer wait times during busy periods.
- Ensuring that food is prepared and distributed properly.
- Worked as part of a team to complete efficient tasks and bring in top hauls.
- Used all of the machinery and equipment while following all of the safety precautions and procedures.

Food Runner - April, 2018 to April, 2018
Alhambra, CA

- Increased operational efficiency by restocking employee and customer supplies such as ice, condiments, utensils, napkins, trays, and delivery bags during slow periods.
- Chose foods from the serving or storage areas and placed them in dishes, serving trays, or takeout bags.
- Conferred with the cooks in order to produce accurate orders, which I double-checked before delivery.
- Greeted regular customers and maintained relationships with them.
